PETITIONS OFFICE

As representative of below named assignee, I hereby declare that:

On information and belief, the inventors last known residences, post office addresses and citizenships are stated below next to their names.

James H. Johnson
Residence: Tucson, Arizona
Post Office Address: 4401 W. Crestview Road, Tucson, AZ 85475
Citizenship: U.S.A.

John DiDomenico
Residence: Tucson, Arizona
Post Office Address: 8810 E. Bear Paw Place, Tucson, AZ 85749
Citizenship: U.S.A.

On information and belief, the inventors listed are the first and joint inventors of the subject matter which is described and claimed in patent number 5,812,249, granted September 22, 1998, and for which a reissue patent is sought on the invention entitled, "SPEED AND ACCELERATION MONITORING DEVICE USING VISIBLE LASER BEAMS," the specification of which was filed on September 22, 2000, as reissue application number 09/667,693 and was amended on September 22, 2000.

On information and belief, the inventors have reviewed and understand the contents of the above identified specification.

On information and belief, the inventors have not reviewed the claims as amended by the amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

The original patent is wholly or partly inoperative or invalid by reason of the patentees claiming more or less than they had the right to claim in the patent.

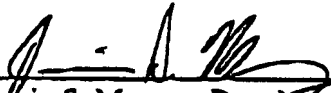

At least one error upon which reissue is based is the unnecessary limitation of "visible" which was included in claims 1, 2, 5, 7 and 9.

On information and belief, every error corrected in this reissue application, including all errors corrected in the amendment referred to above, arose without any deceptive intention on the part of the applicants.

I hereby declare that all statements made herein of my own knowledge are true and that all statements on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine and imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which the declaration is directed.
